1. Introduction

The Placement Assistance Team of Vedanta College, in association with Vidya Foundation, conducted a Pre-Placement Training Session as part of the preparation for the upcoming Grand Career Fest – Aarambh 5.0. The session was designed to prepare students for the professional environment by strengthening their interview readiness, confidence, communication skills and overall job-readiness.

2. Objectives of the Session

- To familiarise students with the expectations of a professional interview process.
- To provide practical interview preparation and guidance through a mock-interview format.
- To improve students' confidence, communication abilities and professional presentation.
- To help students understand appropriate interview behaviour, body language and responses.
- To prepare students to participate more effectively in the upcoming career and placement opportunities.

3. Session Details

4. Training Session Overview

The session focused on practical preparation for placement and career-fest participation. Students were guided on how to approach interviews with greater confidence and professionalism. The mock-interview component provided an opportunity to experience an interview-like setting and understand areas requiring further improvement.

5. Major Areas Covered

- Interview Preparation: Students were guided on preparing before an interview and responding appropriately to common interview situations.

- Mock Interviews: A practical mock-interview approach was used to help students experience the interview process and build confidence.
- Communication Skills: Emphasis was placed on clear communication and presenting thoughts effectively during an interview.
- Professional Presentation: Students were encouraged to maintain appropriate professional conduct and presentation during placement interactions.
- Confidence and Job Readiness: The training aimed to reduce interview hesitation and improve students' readiness for employment opportunities.

6. Resource Persons
